

DEERWOOD SERVICE COMPANY, LLC
Replacement of Board Members

There are no term restrictions for the DSC Board of Managers. If a DSC board member from Deerwood Ranches or Creek Ranch is no longer able or willing to serve, or if a majority of board members decide that an individual on the Board is not contributing adequately, the remaining representative of Deerwood Ranches or Creek Ranch will consult with the chair of that HOA's Board of Directors regarding an appropriate replacement. If the proposed replacement is willing to serve, the Deerwood Ranches or Creek Ranch HOA board will vote to approve or disapprove the proposed replacement. If a majority disapproves, the process will be repeated for a second choice.

If the Wilkerson representative can no longer serve, the remaining three lot owners will be asked for a volunteer replacement.
